RE: Candidate Filing Cooperation Agreement

The St. Louis County Board of Election Commissioners voted to establish a process through which municipalities and other special districts may enter into a cooperation agreement with the Election Board to conduct candidate filing. In recent years, several St. Louis County municipalities and special districts have encountered challenges surrounding candidate filing. Issues that have arisen in recent years include, but are not limited to, inconsistent office hours during the filing period, arguments and confusion over ballot placement, and the failure to post the statutorily required notice of filing. These issues often lead to costly litigation and delays for the Election Board and the entities involved.

The issues described above are certainly not unique to St. Louis County. As a result, the election authorities of several counties across Missouri have begun entering into filing agreements with various cities and special districts. These filing agreements are voluntary arrangements and no city or special district is required to enter into one. If, however, your city or special district has encountered challenges with candidate filing this agreement may be of mutual benefit.

A sample cooperation agreement is included with this letter. Important points to know about this agreement include:

- All candidates will file their declarations at the Election Board rather than the city or district office.
- For the first day of filing a lottery will be conducted to determine ballot placement.
- The Election Board will make notice of the filing period per 115.127.5.
- The agreement may be made for one election or multiple elections.
- The agreement must be adopted by ordinance or resolution of the city or special district.
- The agreement must be executed at least three weeks prior to the opening of filing. This would be November 24th, 2020 for the April 6th, 2021 election.

Please do not hesitate to contact us should you have any questions.

**GENERAL QUESTIONS AND ANSWERS
FOR
CERTIFICATION OF ELECTIONS**

Q. HOW DO I NOTIFY YOU THAT MY ENTITY WISHES TO HOLD AN ELECTION?

A. The “Certification of Election” form is used by each entity/political subdivision to submit the names of candidates and the exact wording of propositions to the Election Board. A “Certification of Election” form is provided for your information in this packet. You can make as many copies of the “Certification of Election” form as you need for the coming year. This form is also available on our website: <http://www.stlouisco.com/YourGovernment/elections>.

Q. ARE THERE DEADLINES WITH WHICH I HAVE TO COMPLY?

A. Certification of Election forms **must** be submitted to the Election Board no later than 5:00 p.m. on the **tenth** Tuesday prior to any of the five statutory election dates.

In the event that your entity calls a special election to fill a vacancy, a notice of election **must** be received before 5:00 p.m. on the **tenth** Tuesday prior to the date chosen. This notice must be an ordinance, resolution or letter, which informs the Election Board that a special election to fill a vacancy will be held. It must include the date, month, year, time and place of filing for the office, the title of the office, the expiration date of the office and the number of officials to be elected. We suggest that you check with your entity’s attorney as to the statutes or ordinances governing special elections for your entity.

NOTE: Please refer to the BOE website for Election specifics.
www.stlouisco.com/YourGovernment/elections

Q. ARE THERE ANY RESTRICTIONS AS TO HOW I DELIVER DOCUMENTS TO THE ELECTION OFFICE?

A. Yes. “Certification of Election” forms **must be hand delivered or sent by courier or received by certified mail.** Redistricted boundaries, wards, etc. must also be hand delivered or sent by certified mail. These requirements assure receipt of the documents in the Election Board office.

Q. IS THERE EVER AN OCCASION WHEN A CANDIDATE ELECTION DOES NOT HAVE TO BE HELD?

A. Yes. Section 115.124 states:

115.124. 1. Notwithstanding any other law to the contrary, in a nonpartisan election in any political subdivision or special district including municipal elections in any city, town, or village with two thousand or fewer inhabitants that have adopted a proposal pursuant to subsection 3 of this section but excluding municipal elections in any city, town, or village with more than two thousand inhabitants, if the notice provided for in subsection 5 of section 115.127 has been published in at least one newspaper of general circulation as defined in section 493.050 in the district, and if the number of candidates for each office in a particular political subdivision,

special district, or municipality is equal to the number of positions for each office within the political subdivision, special district, or municipality to be filled by the election and no ballot measure is placed on the ballot such that a particular political subdivision will owe no proportional elections costs if an election is not held, no election shall be held, and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they had been elected. If no election is held for a particular political subdivision, special district, or municipality as provided in this section, the election authority shall publish a notice containing the names of the candidates that shall assume the responsibilities of office under this section. Such notice shall be published in at least one newspaper of general circulation as defined in section 493.050 in such political subdivision or district by the first of the month in which the election would have occurred, had it been contested. Notwithstanding any other provision of law to the contrary, if at any election the number of candidates filing for a particular office exceeds the number of positions to be filled at such election, the election authority shall hold the election as scheduled, even if a sufficient number of candidates withdraw from such contest for that office so that the number of candidates remaining after the filing deadline is equal to the number of positions to be filled.

***3. The governing body of any city, town, or village with one thousand or fewer inhabitants may submit to the voters at any available election, a question to adopt the provisions of subsection 1 of this section for municipal elections. If a majority of the votes cast by the qualified voters voting thereon are in favor of the question, then the city, town, or village shall conduct nonpartisan municipal elections as provided in subsection 1 of this section for all nonpartisan elections remaining in the year in which the proposal was adopted and for the six calendar years immediately following such approval. At the end of such six-year period, each such city, town, or village shall be prohibited from conducting such elections in such a manner unless such a question is again adopted by the majority of qualified voters as provided in this subsection.*

Q. IF WE QUALIFY FOR A 115.124 RSMo. "NON-ELECTION," MUST I FILE ANYTHING WITH YOUR OFFICE BY THE CERTIFICATION DEADLINE?

A. Yes. The following must be submitted:

1. **A letter** from your entity stating that it has published the required notice under Section 115.127.5 RSMo, the number of candidates equals the number of positions to be filled, and no election need be held. You must also list the candidate names and office titles.
2. An **Affidavit of Publication** from the publisher or editor of the newspaper that was used for the notice under Section 115.127.5 RSMo. This affidavit **must have a copy of the newspaper** containing the notice. This will provide proof of compliance with the provisions of 115.124 RSMo.
3. The **Publication of Legal Notices** (page 3 of the certification forms) must be completed and submitted by the certification deadline. The Election Authority shall publish a notice containing candidate names and office titles that shall assume the responsibilities of office in at least one newspaper of general circulation. The entity will receive an invoice for the cost of publication.

Q. WHO IS THE “AUTHORIZED OFFICIAL” AND WHY IS THAT SIGNATURE NEEDED?

A. The “authorized official” signature needed on the Attestation form (page 4 of the certification forms) is the official authorized by the political subdivision, whose name and signature has been filed with the Election Board. This person is the only one authorized to submit election related material to the Election Board. In most cases, the authorized official for school, fire protection and special districts is the Secretary of the Board. The authorized official for municipalities is the City /Village/Town Clerk. Please notify the election office immediately, in writing, if there is a change in the designation of your authorized official or any of your contact information.

Q. WHAT INFORMATION IS NEEDED FOR CANDIDATES BESIDES THEIR NAME, ADDRESS AND EXACT DATE AND TIME OF FILING?

A. If a lottery was used to certify the candidates, the number chosen for each candidate should be included on the certification form next to the candidate’s name.

Q. WHEN IS AN AUDIO PRONUNCIATION GUIDE NEEDED?

A. **An Audio Ballot will be used for all elections now.**

Q. WHAT IS A BALLOT CONTENT REPORT?

A. The authorized official will be emailed a Ballot Content Report, which lists all certified candidates and propositions as they will appear on the ballot. You will be asked to proof your entity’s ballot content by using each Declaration of Candidacy and email or fax your signed Ballot approval form. A timely response is critical.

Q. WHAT HAPPENS IF A MISTAKE IS FOUND ON THE CERTIFICATION?

A. If there are minor typographical errors that do not affect the purpose of what was certified and it is prior to preparing the ballot styles, we will make every effort to work with you to make corrections. A follow-up amended certification with the authorized official’s signature confirming the change is required. The amendment may be returned to us via fax or email. Any major changes would require a court order. Additional costs, if any, will be the responsibility of the entity. (Refer to Board Policy regarding request for ballot changes.)

Q. WHAT HAPPENS IF SOMEONE IN MY ENTITY WANTS TO BE A WRITE-IN CANDIDATE?

A. Write-in votes will be counted only for candidates for election to offices who have filed a “Declaration of Intent” to be a write-in candidate with the Election Board before 5:00 p.m. on the second Friday immediately preceding the election. In the event there is an office in which there is no filed candidate, or the number of candidates is less than the number to be elected, on the ballot, it is not necessary to file a “Declaration of Intent” to be a write-in candidate and the above provision shall not apply. If someone files to be a write-in candidate in your entity, you will be notified by the Election Board. A list of valid write-in candidates is provided to each polling place.

Q. WHAT IS THE COOPERATION AGREEMENT?

A. A cooperation agreement gives the Election Board the authority to take candidate filings for your entity. Candidates would come to the Election Board office and we will take care of all the paperwork with the exception of your certification forms. After the filing deadline closes the candidate filing forms will be forwarded to the entity. Although we take your candidate filings, we do not prepare your certification forms. This is the responsibility of the entity and **all** certification forms must be received by 5:00 pm on the certification deadline date.

BALLOT WORDING

A proposed ballot issue should be limited to **50 words**, excluding articles. Bond issues that have statutorily mandated wording may exceed the limit as necessary. The wording on the ballot may reference other official documents if necessary. If requested we can post copies of the official document at the polling places and/or on our web site. Below are three examples of wording for ballot issues.

Example 1

PROPOSITION 1

Shall the following Sections of the City of x Charter be amended as proposed by the Charter Review Committee: 3.3, 3.10(a), 3.10(d), 3.10(g), 4.4(a), 4.8, 5.1, 5.2(f), 7.1, 7.2(b), 9.3(b), 10.3(b), 13.8, 15.1, 15.2, 15.3 and 15.4?

[In example 1 the City did not ask that anything be posted at the polling place to further explain the proposition. The City had posted on its website the Report of the Charter Review Committee.]

Example 2

PROPOSITION N

Shall the Ordinances of the City of x be amended by enacting and adding thereto a prohibition of smoking, all as set forth in Exhibit A of Ordinance #5432 on file with the City Clerk and the Board of Election Commissioners?

[In example 2 the City did not ask that anything be posted at the polling place to further explain the proposition but the ordinance was posted on the City's and Board of Election's websites.]

Example 3

PROPOSITION A

Shall the City of x increase the annual license fees for various commercial businesses for doing business in the City of x, as contained in Exhibit A of Ordinance #1234?

PROPOSITION 1

Shall selected sections of the City Charter of the City of x pertaining to elected officials be amended as outlined in City Ordinance #4054?

PROPOSITION 2

Shall selected sections of the City Charter of the City of x pertaining to enactment of ordinances be amended as outlined in City Ordinance #4055?

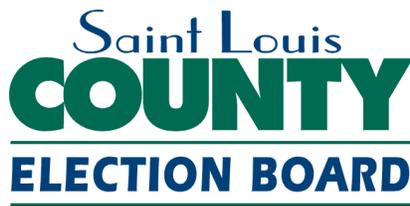

[The City requested and paid the cost to post copies of the listed exhibit/ordinance at each of the polling places. Additionally, the City posted copies of the ordinances on its website.]

The ballot wording limitation, and the number of propositions placed on the ballot, is most critical during the November General election when the ballot always contains multiple questions including judge retention elections and State initiative petitions. We have a maximum capacity as to how much we can fit on the two sides of a 19" ballot and that maximum was reached in the November 2018 General Election. During other elections, we generally have the flexibility to more easily accommodate multiple ballot issues and issues with additional wording.

Board Policy Regarding Request for Printing and Reprinting Ballots

Because of a substantial increase in requests for court orders to change ballots and because many of these requests could be rectified by a more careful procedure by the political subdivisions and special districts in St. Louis County, the Board hereby adopts this policy effective April 15, 2014 which defines "printing or reprinting costs." The Board directs the staff and counsel to consent to such late filings only upon agreement that the political subdivisions agree to the following schedule of costs.

Section 115.125.2 RSMo. allows political subdivisions or special districts to file late certification, either because the original certification was not timely filed or because the political subdivision or special district wants to change the certification of one or more candidates.

Section 115.127.6 RSMo. allows candidates to withdraw after the certification deadline. Both sections require a court order and payment of costs for "printing or reprinting." The reprinting of ballots involves substantial expenditures because the computerized program used to prepare ballots involves reprogramming of the entire election format for all jurisdictions.

This Board will calculate "printing or reprinting costs" to include the following items:

- a) Salaries of personnel to perform reformatting of the computer program;
- b) All materials used in the process of reprinting;
- c) All incidental costs including but not limited to tapes, files, ink, costs charged by printing company and legal fees incurred by the Election Board occasioned by requests filed by candidates or a political subdivision.

Chief Polk,

I'm sorry it took me a week to send this email, but I wanted to thank you and Firehouse #1 and #2 for making my Mom feel so special on her birthday. She had VP Fire Department escorts at the beginning AND the end of her birthday parade!. I really appreciate everyone making her day special.

With much appreciation,

Della Steele

Her address is 703 Vest. We would like to have you guys lead so we will line up on the church parking lot at the brick church parking lot (used to be Champions hutch, not sure of name now). I think it's 5&and Vest. Then if you guys come there, we will follow you down.

We will be there at 2pm.

Does that sound alright?

Thanks so much,
